VOLUME LIV. NUMBER 10

The Primary Election.

The St. Louis Globe-Democrat this (Wednesday) morning reports that Long and Spencer are in the lead for the Democratic and Republican nomination for U. S. Senator. Atkinson and Hyde are reported to be ahead in the gubernatorial race. In Iron county a very light vote was polled. W. H. Blue received the Democratic nomination for Assessor and Wm. Sutton defeated his opponent in the race for Judge of the County Court, Southern District. These were the only local offices over which there was any contest.

THE nominees put forth by the San Francisco convention are all right. They are Democrats loyal to the principles of the Fathers, and we can heartily support them. They make amends for what may be lacking in the platform.

WELL, the Primary is over and now we can take up the vital issues of the campaign. Shall we stand by the doctrine of personal liberty bequeathed us by the Fathers or turn this Republic into righteously despotic at the behest of political puppets? Shall Partisanship prevail over Patriotism and the hope of future peace and good-will be sent glimmering? Never were more portentous issues presented for settlement, and never were more serious calls for calm, deliberate, unselfish thought.

WHEN Judge Priest was here last week he told me that Senator Reed had "a host of friends" in this State. True, I have no doubt. While the great war was being fought there was in Missouri a "host of friends" to Germany and the Hohenzollerns, and every one of them is an admirer of the man whose cause Judge Priest has espoused. The true American stood by the President while the war was going on and nine out of every ten stand by him in his advocacy of the League of Nations.

A VERY much disgruntled publication, talking of the Democratic and Republican conventions and the platforms put forth, asks, "Will Americans stand for it?" Well, aside from the Democratic enunciation on the League of Nations, I don't see that we have left anything to stand for. Pussyfooting prevailed in both conventions: they were afraid to announce themselves "wet" and didn't want to endorse the 18th Amendment. But Lord, how both platforms bulged to bursting with platitudinous patriotism!

Rural Carrier Examination.

The United States Civil Service Commission has announced an examination for the County of Iron, Missouri, to be held at Ironton, on Aug. 23, 1920, to fill the position of rural carrier at Arcadia and vacancies that may later occur on rural routes from other post offices in the above mentioned county. The examination will be open only to citizens who are actually domiciled in the territory of a post-office in the county and who meet the other requirements set forth in Form No. 1977. Both men and women, if qualified, may enter this examination, but appointing officers have the legal right to specify the sex desired in requesting certification of eligibles. Women will not be considered for rural carrier appointment unless they are the widows of U. S. soldiers, sailors, or marines, or the wives of U. S. soldiers, sailors, or marines who are physically disqualified for examination by reason of injuries received in the line of military duty. Form No. 1977 and application blanks may be obtained from the offices mentioned above or from the United States Civil Service Commission at Washington, D. C. Applications should be forwarded to the Commission at Washington at the earliest practicable date.

Bixby Items.

At last the drouth is broken at this place by a fine rain which is the first of any benefit since June 1st. Hay crops were only about one-third as good as usual in this part of the county. Oats cut one half short and wheat was short of normal yield. But corn is looking prospective. Mr. Fred Cureton and family of Bixby spent last week on business in St. Louis. Mr. Cureton is our most busy man. Geo. W. Hughes, former employee of Mr. Fred Cureton, will now remove to Doss, Mo., in Dent county, to take entire control of his uncle's merchandise business. Mr. John Q. Stuart of this place made a business trip to Roselle last week. Messrs J. R. Day and sister, Ida, motored to Ironton last week where they attended the county teachers convention. I long to see every patron in Iron county so interested in education to gather together every year at the county seat with their children and have a reception for the benefit of the education of the coun-

ty. We teachers have each year a teachers' convention at the county seat and all directors are supposed to be present, but usually only about ten are present out of the whole county. We had with us at the convention many fluent speakers among whom were Honorable O. L. Munger; also we had with us some of the principals of schools from other parts of the state. We teachers can't appreciate their speeches as we should for they usually try telling us some uninteresting junk that we teachers know by memory. I sometime wonder if high school teachers think country school teachers are insane. Patrons, co-operate with your teacher; visit your school, be helpful in all respects to the upbuilding of your community.

J. B. Richards of this place motored to Salem Saturday. The family of J. W. Hedrick visited relatives in Leadwood last week. There are now eight automobile owners near Bixby and every one an advocate of good roads. Why can't our county get busy on the proposition? SMILES.

From Goodland.

Redmondville looks forlorn. Many of the houses are torn down. The machinery is gone and the mill itself is being torn down. Mr. Vondill has departed and Mr. White and family with some of the mill hands will shortly leave for Rogers, Ark. Nelson Stricklin has sold his farm and will move his family to northern Missouri soon.

The Misses Moore, who have been staying with Mrs. N. W. Adams since last spring, have gone home to Oklahoma. All the young folks around Goodland gathered at the home of Mr. Adams Thursday night to bid the girls goodbye. They left with good feelings for Missouri.

Mrs. Adams and Clifford made a trip last Friday into Reynolds county and visited relatives. Mr. and Mrs. J. C. Stevens have moved to Grandma Brooks' to take care of the old lady who is too feeble to live alone any longer.

Mr. and Mrs. R. C. Love and son, Arthur, of Bismarck, spent a night lately with the family of F. M. Adams at Goodland.

Mr. Stace Bell of Shepard visited his children at Goodland and attended church.

Miss Ora Smith has gone to Flat River for an extended visit with relatives. The annual communion services were held at the Baptist church last Sunday. TIMOTHY HAY.

Neal's Creek Items.

Des Arc Items.

We are very dry. No rain for five weeks. There will not be a hundred bushels of corn raised around Des Arc. It seems to be raining everywhere else.

Old man Sutton from Chloride is visiting his son-in-law, Snyder Hill. He also has children at Annapolis and Piedmont.

The Holiness people are arranging for a big camp meeting, August 14th to 29th. Rev. J. A. Williams will conduct the meeting.

I see in the New Madrid paper that Joe Loyd, son of Jack Loyd, who was reared around Des Arc, is making the race for Assessor of New Madrid county. He comes well recommended.

More than a hundred loads of ties, props and lumber came in Saturday. It was a prosperous day for our merchants.

D. A. White says he sold more than \$100 cash Saturday. Says he has the best stand he has ever had since he's been a merchant.

My old friend, Martin Warren, near Patterson, who has been visiting his daughter, Mrs. Geo. Hays, says he will be home to vote. Has been voting the Democratic ticket more than sixty years, and never missed voting.

I was at Annapolis. The mines there are not doing much. The water is bothering them. Takes two men and a boy to keep it out. That is a good sign for lead.

We will commence working the road to Brunot Monday. It goes from the Wire Bridge on a straight section line to the Roberts school house and keeps on the left side of the road all the way to Brunot.

Dr. Jones got a car of corn last week. ISAAC.
